Raised most of his life in the challenging expanses of West Africa, young Chris Decatur has returned to the United States for college, leaving behind dunes and nomads for the quiet halls of academia. Studying the American Revolution, Chris and his classmates embark on a reenactment trip to Upstate New York and New England. A week of hiking and learning, accompanied by a few reenactment volunteers and Chris's knowledgeable father, Robert, should be an entertaining excursion. But even the backwoods are no refuge from the dangers of the world. The group stumbles on a terrorist plot in the works and the students are taken hostage as the mysterious plan unfurls. As Chris faces an ordeal of brutal fighters, uncooperative classmates, deadly threats and a battle of wits against ruth foes, Robert Decatur risks everything in a daring pursuit to rescue his son from the hands of evil. In Time of Peril is a face-paced tale of adventure, loyalty, faith and courage, and is the first in a series of THE DECATURS fiction novels following the adventures of the tenacious and unconventional Decatur family. This gripping novel was inspired by the likes of Louis L'Amour, Alistair McLean, and the heroism of Stephen Decatur.
