This is the first book of the 'Stealing Beauty' Series. A seriously hot and provocative submission series by Lucia Jordan. Beth Harker never feels safe. There's always the danger that her possessive ex-boyfriend will find her and force his way into her bedroom, and her life. Secretly living with her best friend Natalie, Beth lies awake at night listening to Natalie's moans of pleasure from sexual escapades with a host of hot young men. When Natalie says she's found a bachelor for Beth, Beth isn't so sure. Only the discovery that her date, Liam Parrish, is a policeman, convinces Beth to give him a chance. That and his irresistibly hot looks. But when Liam turns out to be rude and standoffish, Beth's sure she'll stay alone forever. That is, until she finds herself alone with him on her doorstep, and decides to throw caution to the wind. Beth invites Liam in for a night of erotic pleasure. But will she be brave enough to let a new man into her heart, when the last one hurt her so badly? This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
