The most special Christmas gift of all... After a head-on collision with another vehicle, Eden Kouros is overjoyed that her unborn baby has survived. But Aristide, her husband, has suffered a partial loss of memory. Eden's heart is torn in two. Aristide remembers almost everything -- except that he has a wife. Yet perhaps Eden has been given a second chance to save her marriage, which was at breaking point before the accident: Aristide's body hasn't forgotten the desire they once shared...and she's still carrying their precious, tiny child....
