DC Comics collects a fast-paced tale by Grant Morrison (BATMAN, FINAL CRISIS) and Mark Millar (CIVIL WAR, FANTASTIC FOUR, THE ULTIMATES), two of comics' greatest storytellers. The Fastest Man Alive meets a new and deadly challenge in the form of the villain known only as The Suit . . . a challenge that leaves him with two broken legs! Confined to a wheelchair, The Flash's hometown of Keystone City begins to attract villains from across the nation. Can the combined strength and speed of heroes including Max Mercury, Jesse Quick, Impulse and others stop the criminals from taking over?
