This rich treasury of popular crochet designs, selected from vintage thread company leaflets, includes 150 patterns favored by crocheters during the first half of the 20th century. Included are eye-catching designs for creating a host of attractive domestic accessories: tablecloths, bedspreads, doilies, edgings, and other pieces. All designs are accompanied by a complete list of necessary materials, while detailed row-by-row instructions guide beginning and advanced needleworkers through each step of the crocheting process. Choose from heirloom-quality patterns including lovely lace edgings that will bring a touch of glamour to table linens, bedcovers, and the necklines of sweaters and blouses. You'll find a simple yet elegant Main Line tablecloth, revealing a charming filet-crochet motif of floral and foliated designs; a splendid bedspread composed of dainty diamond- and octagon-shaped motifs; and a wealth of other attractive patterns. With this inexpensive collection at your fingertips you can be sure of finding the project that's just right for you. Best of all, expert instructions make it easy to create beautiful crocheted pieces you'll cherish for years to come.
