THE ORDINARY BECOMES THE EXTRAORDINARY Join Melissa Miller as she journeys through her first year of retirement. She has definite goals to accomplish. A romantic Alaskan cruise. Glider flying has been her lifelong desire. White water rafting on wild Canadian Rivers compliments her style. A special trip to Russia to trace her roots results in unexpected events. She meets fellow travelers. Romantic interests like Howard a Hollywood dance instructor. Later she meets Robert a back-home country guy who prefers fishing rods instead of black ties. Linet a close friend of Robert vies for Robert's affection and casts her magic spells. Melissa is faced with the arduous task of determining who is "Mr.Right." Other factors play havoc with her life and those of her pursuers as she completes her wish list. The roller coaster love affairs end in the most unconventional way."
