After the fatal shooting, Lucci becomes a big ball of emotions. Anastasia does what she can to let him know that the actions of others aren't his fault. Consumed with guilt, Lucci makes a huge mistake that could possibly cause him to lose his new relationship. Finally done with school, Anastasia is ready to dive head first into her career. When a graduation gift arrives from her ex, Pandora's box is opened leading her and her new boo into a whirlwind of mistrust & infidelity. Get out your tissues and get ready for an emotional roller coaster. While all is fair in love and war, when pistols come out to play those rules go out the window and anything is liable to happen!
