Just call him Sam, sweetheart . . . An open door is Garfield's invitation to old-fashioned mystery and romance. With a sharp-looking fedora and a no-nonsense trench coat, he becomes Sam Spayed, a tough-talking, tail-twitching private eye with a mean case on his paws. It's all in a day's work for the world's smartest (and only) feline detective. He'll get the job done, all right. And you can bet he'll get it done before dinnertime, sweetheart.
