21-year-old untouched and innocent Kayla Taylor has been a bad girl. She's rebelling against the man of the house, a young and sexy billionaire who thinks he can control Kayla's future. When Kayla learns he wants a baby, she knows it's time to play her hand. Carter wants to fuck her hard and without protection, and knowing the kind of freedom his money can provide her, she's happy to oblige... But after feeling what his huge billion-dollar body can do to her, will she be able to stop?
