"You're late!" was the first thing I heard as I walked through the door. It was seven o'clock on Wednesday night, and I had promised my wife faithfully that I would be home an hour earlier, for dinner. Word Count: ~1700 A submissive man comes home to his wife and Mistress, late for supper. She punishes him in a way she never has before, allowing him to fulfil her deepest fantasy. Warning: This book contains explicit descriptions of mail nudity, and male genitalia and orgasms. It is suggested for readers over the age of 18.
