Rumor has it that Mrs. Farmer is making chicken soup, so the chickens are on the run—except for poor Little Chickie, who has a bad cold. No matter where she hides—the hayloft, a milk pail, or the sheep pen—her sneezes give her away. She is sure to be found soon! The unbeatable mother-son team of award-winning and bestselling author Jean Van Leeuwen, whose *Oliver and Amanda Pig* books are a children’s literature staple, and her son, up-and-coming illustrator David Gavril (*Penelope Nuthatch* and *the Big Surprise*), have created a charming picture book very much in the spirit of *Click, Clack, Moo: Cows That Type*.
