There's no worse feeling for a writer than running smack into a case of writer's block. One of the best ways to get around the problem is to surround yourself with ideas. "1,000 Creative Writing Prompts for Seasons: Ideas for Blogs, Scripts, Stories and More" gives you exactly one thousand idea-generating prompts that focus on the coldest, warmest, toughest and funniest days of the four seasons. This book covers many different aspects of spring, summer, fall and winter including weather, nature, holidays, festivals, the five senses, science, literature, entertainment and more! These 1,000 prompts work for blogs, scripts, stories, poems, essays, songs and anything else that requires you to stare down writer's block and put pen to paper anyway. Originally geared for the classroom, these prompts can be used by any writer from 5 to 105 to get the ideas they need when they need them. Author Bryan Cohen has written over a dozen books of writing prompts including "1,000 Character Writing Prompts: Villains, Heroes and Hams for Scripts, Stories and More," "500 Writing Prompts for Kids: First Grade through Fifth Grade" and "The Writing Prompts Workbook Series." His books have sold over 15,000 copies. He lives in Chicago.
