Meet the girls of Prom Season, a collection of three interconnecting stories about that one unforgettable night. Jane: The self-proclaimed Queen of Blah wants gorgeous Charlie to be her prom date, but he doesn't know she exists. Jane must get his attention—fast. Can her friend Max change her into a sexy goddess in three weeks? Nicole: Instead of admitting that she doesn't have a date to the prom, she tells everyone that she's going with some random hottie she saw at the mall. Not only does she know nothing about him, but she only has a few days to track him down! Christy: She never expected the cute, but very obnoxious Jake would invite her to prom. And she couldn't say no because her mom is best friends with Jake's mother. Will the most romantic moment of her life be a huge disaster?
