[Siren Everlasting Classic ManLove: Erotic Alternative Paranormal Romance, M/M, shape-shifters, HEA] Jude Lawson has bad luck in love. When his friend stumbles upon a matchmaking service promising to pair him with the shifter of his dreams, he isn't entirely convinced. Little does he know that his first match will be the man destined to change his bad luck forever. Logan Carter is a fox shifter who is looking for a second chance. Since adopting his younger brother after their parents' death he's not had much luck with relationships. Deciding to date a human might be a bit of a culture shock but it has to be better than not dating at all. Taking it slow might have been his plan but one glance at Jude shows him he wants anything but. As jealous exes and hate groups try to drive a wedge in their newfound relationship, Logan and Jude will have to decide if staying together is worth whatever price they have to pay in order to find happiness.
