Dear Reader, These stories of classic romance are among my favorites—and I welcomed the chance to revise them for today's reader. Take a SENTIMENTAL JOURNEY and meet Jessica Thorne. The up-and-coming advertising executive just ran into Brodie Hayes, her older sister's former flame, but she hardly recognized him. Back then, Brodie Hayes was a poor kid from the wrong side of the tracks—but he's a multimillionaire now. If only Jessica knew for sure that he wants her—and not her sister. Coley McGuire hopes to make a new start in life, and falling in love with rancher Jason Savage isn't part of the plan. She's looking forward to a bright, happy future...but Jase is haunted by the shadows of his past—which may well threaten his claim to the SAVAGE LAND... You'll find true romance and real-life heroes in these books! With love, Janet Dailey
