THE LAST HARD MAN Two years in prison had taught Lucas Valentine never to trust a woman--and that went double for the headstrong lady rancher who was his new boss. Whatever it took, he meant to keep his distance from her--because she had a way of keeping a man lying awake, staring at the ceiling, niG~? after empty night Kat Rawlings's new foreman was causing her a few sleep nights, too. It wasn't his past--or even that he'd made it clear he didn't like taking orders from a woman. No, the trouble was the things this bitter, rawhide-tough man could make a woman want **THE WILD WEST:** Ride the range with the Rawlings family as they tame the wild West-and even wilder hearts!
