On October 2, 2006, the Third Platoon A/1/32 10th Mountain Division is told to move south in the notorious Korengal Valley and try to open good relations with the local elders of Dokalbot Village. Told by the Korengali elders that they were not wanted, the platoon turned back for the KOP only to be ambushed from all sides. "Hell is the Korengal" shows one of many very bad days for the soldiers of Attack Company in the infamous Korengal Valley. "Hell is the Korengal" is the fourth and final book about the Third Platoon. The previous books are "Tsangar" (July), "Korengal Valley Road" (Aug), "Yakah Chinah" (Sept) and "Hell is the Korengal" (Oct).
