Are you tired of the volatile swings of the stock market and low yields of traditional “safe” paper investments? If so, you’re in the right place. In *Alternative Financial Medicine*, Dr. Kenyon Meadows shows you some of the many alternative assets that can produce attractive yields across a wide range of investment budgets and risk tolerance levels, with a heavy focus on emerging online lending platforms. You will learn how to connect your capital to creditworthy people, entrepreneurs, and real estate projects for double-digit returns, often backed by hard assets and often from the convenience of your mobile device. Dr. Meadows covers:

- Peer-to-peer lending
- Peer-to-business lending
- Private mortgage lending
- Real estate crowdfunding
- Student loan investing
- Distressed mortgage notes
- Turnkey rental property

The tools and platforms needed to achieve a level of diversification previously available only to big investors are here now. Are you ready for a dose of *Alternative Financial Medicine*?
