This fun-loving bunny knows that with a willing cohort, a creative spirit, and a little bit of ingenuity, anything is possible--even on the gloomiest of days. And after the pillow fights and cooking projects and hide-and-seek games and drawing on the bathroom mirrors and zooming and zipping and jumping and running inside, there's more fun to be had outside. Because when the rain stops, the mud puddles beckon. Splat! The delightful bunny and mouse duo from *Overboard!* are back in a mischievous and messy romp that toddlers will adore.
