Book five in the Storm Lords Series The final battle between Light and Dark is at hand, and only love can save them. They call him the Guardian of Storm and Killer of Shadow, a magic user more powerful than any Tanselm has ever seen. Yet for all his power, Arim Valens has let his nemesis and ex-lover, Lexa Van Nostren, slip through his grasp time and time again. For three hundred years Arim and his sexy Dark Lord have battled each other. Only one thing could bring them together. Tanselm - a magical land filled with riches, power, and an underlying sentience overflowing with love for creatures both Light and Dark. To save Tanselm from an encroaching evil, Arim will risk it all, and if it means working closely with Lexa, so much the better. Arim wars with his duty to the land and with his own perverse need to see to Lexa's safety, even knowing that the dangerous woman can take care of herself. Lexa won't surrender easily, no matter how much she needs him. And it will take all of his power and compassion to heal hurts both old and new, and to redeem himself in the eyes of the only woman he's ever truly loved. Reader Advisory: This story has scenes of dominance and submission and anal play.
