Nate's Scars Sex, drugs, and rock 'n' roll... Nate's band is taking off and he's living the rock star life. Except, he can't help but feel like something is missing. Trish doesn't hear "no" often. Born to a wealthy family, everything she's ever wanted has always been at her fingertips. Opossites attract... She knows all the words to every country song, new and old. He listens to classic rock. She is always the center of attention. He fades into the background. She's a graceful dancer. He's a little clumsy. One thing they can agree on is they have an undeniable bond. First comes love... It's almost too good to be true when their love flourishes. Friends and family say they're moving too fast, but the pair knows they are right for each other. Unfortunately, all is not well in this fairy tale. Nate has a pain deep inside of him that stems from a devastating loss. They say time heals all wounds... But when time fails, love steps in.
