After giving into their forbidden attraction, Karen and her new stepbrother Thane must keep their relationship hidden while living at home. But when their parents catch them in an awkward position, all is revealed—including secrets of Thane's that put Karen in terrible danger. In order to protect herself, she must be claimed by the true alpha of the pack, Derrick. But can she live with the consequences? A direct sequel to Stepbrother Alpha, this werewolf paranormal erotica contains graphic sexual content involving a big, beautiful woman (BBW) and her stepbrother shifter, as well as touching on other hot taboos. No cliffhanger, but Karen and Thane's story will continue in the near future.
