Luke isn't looking for love. He's an unmated Omega still mourning his parent's death. He's working at a Nurse in a local hospital. He's living a quiet life. He's living life alone. Levi isn't looking for love either. He'd decided a long time ago there isn't any magic left in the world, at least, not for a man like him. He's living a life alone, a life where he puts everyone else before himself. And he's shouldering a burden he doesn't want to share. A little at a time, Levi's world is becoming darker. When Levi goes to the hospital for answers, he meets Luke. They both feel a connection they weren't looking for. Can two men who are set in their ways learn how to make room for the love they weren't looking for? *\*Disclaimer\**: This book contains adult, sexually explicit content with an intense sex scene, male breeding and knotting and dominant alpha with his delicate rare omega.
