This book is a treatise on the Kingdom of God and the need for the Church to forcefully advance it across the earth. No longer can the businessman sit back in the pew and expect the pastor to do all the work. No longer can the lonely widow or single mom wallow in insecurity and condemnation. Heaven comes to earth when individual believers begin to understand their sphere of authority. The self-righteous will no longer be able to sit in judgment of the world, for they will come face to face with what God has forgiven them of and what He is calling them to. We have both the ability and the responsibility to transform society. Don't like the world in which you live? Then come to faith, obey the Word, and allow the Holy Spirit to release the power of the Kingdom through you. "
