USA Today bestselling author B.J. Daniels offers three short stories set in her beloved state of Montana. In *The Snow Woman*, an avalanche in the mountains forces Reese to leave his pregnant wife Casey. Married to a snow expert, Casey knows that the “other woman” in their lives is the mythical Snow Woman. While Reese is fighting the snow on the mountain, Casey is fighting her own battle for the survival of their baby. In *the Perfect Proposal*, things get complicated after Jenny’s boyfriend Matt has been spotted in the jewelry store buying an engagement ring. In *Remember Me*, Dulcie begins to get little gifts signed only "Remember me?"
