"Certification Review for Pharmacy Technicians has been recognized as the best review text for the PTCB's National Certification Exam by pharmacy technicians nationwide. But don't take our word for it...here's what just a few pharmacy technicians and educators have to say... ""I am a certified pharmacy technician and an instructor at the central Arizona College, Pharmacy Technician Program. I have prepared all of our technicians for the national certification exam with the text Certification Review for Pharmacy Technicians by Noah Reifman. It is by far the best study guide available to prepare for the PTCB exam." -Myela Fox, CphT Banner Home Care "I am a Pharmacy Technician Instructor at Stark State College and Wayne College in Ohio. Certification Review for Pharmacy Technicians written by Noah Reifman, RPH, MS., changed fear into confidence for the PTCB exam. The text is written in a 'reader friendly' fashion yet very 'detail oriented'. It made the difference for my students." - Janice Norcia-Sprankle Pharmacy Technician Instructor "I found the review text Certification Review for Pharmacy Technicians to cover all topics needed to pass the national certification exam. I passed the exam with this review book and have personally recommended it to many technicians taking the exam. Written by a pharmacist who really cares about technicians and their future." Kelly Fash, CphT With over 100,000 texts sold, Certification Review for Pharmacy Technicians has an overall greater than 96% pass rate."
