Romantic cozy mystery - with witches, vampires, and Shifters! When Pepper finds the local internet provider representative washed up on the beach and sporting suspicious injuries, another Cleaner arrives in town. Is Pepper in his sights? As Lucas does his best to keep Pepper out of harm's way, she and the aunts sift through the suspects. The trouble is, there are too many-in a town full of poor internet connectivity, no one had a good word for the victim. Pepper is in for a wild ride as Lighthouse Bay exposes its long-held secrets.
