A visit to the fabulous court of Xo-lin is disrupted when news of the invasion arrives at the venerable emperor's palace in Pensei. The evil Autarch Sejanoz of Bhanar has launched a sudden and devastating attack upon Xo-lin's ancient realm. With the tyrant's armies swarming across his borders, the aged Xo-lin is forced to flee his imperial palace and seek sanctuary in the distant city of Tazhan. In *The Hunger of Sejanoz*, your mission is to escort the aged emperor and his entourage safely across the Great Lissanian Plain to Tazhan. Will you succeed in your perilous task... or will you and your charges fall victim to the merci forces of the Autarch?
