Amazon #1 Bestseller To Kill a Mockingbird: (Harperperennial Modern Classics) by Harper Lee Summary & Analysis Harper Lee's To Kill a Mockingbird is a heart pounding and best selling story that mixes adult fiction with historical context. It is a controversial and emotion stirring classic. This book is engaging to adults and teenagers alike, a mainstream gold mine as well as a niche specialty. The story is told from the eyes of a young girl who sees relent inequalities as well as heart breaking prejudice in the south as well as her father who heroically fights against all odds. Scout gives heart and soul into this breath taking story. She is Maycomb's witness as her father fights ferociously to defend Tom Robinson. She gives insight into a growing and ever changing dynamic of a young person growing up in a highly prejudiced time period. Available on Pc, Mac, Smart Phone, Tablet, Kindle 2015 All Rights Reserved
