The Amen Sisters, the third book in Angela Benson's emotional and uplifting Genesis House series, offers a compassionate look at the lives that are forever changed when a pastor abuses his power with the women of his congregation. It is a story of love, faith and forgiveness that will stay with you long after you've turned the last page. Francine Amen burned a lot of bridges when she left her home town to join a traveling ministry. When she's forced to return broken and alone after a scandal involving her pastor, she finds that making amends is not easy. Her sister, Dawn Amen-Ray, is having her own set of problems. With her marriage to Francine's ex in trouble, she's not ready to deal with Francine's return.
