Jux is from California. he's a hardened criminal who doesn't hold back. he's on the run in New York for a parole warrant that would land him back in the belly of the beast. Karen is a gentle, outspoken and beautiful young lady from the small city of Poughkeepsie, New York. the two meet at a greasy spoon restaurant, and thug love at first sight sets off a chain of events that will have the entire nation on edge, following its path. Wanted is drama filled, gripping and emotional page turner that you'll probably read twice. NOTE: THIS BOOK WAS FORMALLY TITLED 'SHXT JUST GOT REAL'
