Beau Not everyone born of Mafiya blood wants to be in the life. I was determined to never go anywhere near it. Headed in the opposite direction, I pushed away from my family and their legacy. Until they needed me. And then...so did she. I got sucked in too deep, going after her and trying to save them all. Now, there's no turning back. I'd do anything for my cousins, for Sasha. After all, family is everything. Complete standalone, HEA, NO cheating
