[William Styron, A Life.epub](#)

Revealing the facts behind Styron's strong friendships with James Baldwin, Willie Morris, Art Buchwald, Philip Roth, Fred Exley, Peter Matthiessen, and many others, his feud with Norman Mailer which lasted almost three decades, and his dramatic and searing bouts with clinical depression, this authorized--but uncensored--biography offers a compelling profile of one of the most admired, important, and controversial authors of his generation. 16 pp. of photos. Author tour. Print ads. 20,000 print.
