The worst thing a man can do is not be with the woman he loves. She could have him sacked quicker than licking her lips. He could ruin her reputation with an email. Jacinta was the CEO in waiting. Mace was the geek from IT. She had an office suite on the top floor. He worked in cubicle hell. She had power, influence, her life mapped out. He had big dreams, and an appetite for risk. They had one hot night written all over them, except the city conspired to turn that night into a weekend of unexpected passion and deep connection. Will love be enough when Jacinta's star falls and Mace's dream takes flight, or will ambition, expectation and insecurity pull them apart?
