Left pregnant, widowed and alone, Lily found herself on a train ride to nowhere. One new encounter opens up a whole new world of possibilities, of a future that might actually be a happy one, and this feeling becomes even stronger when a handsome man named Doss McKelvey enters her life. However, when his best friend decides that he wants Lily to be his and no one else's, trouble starts brewing. And on top of it all, how will Lily reveal her sordid past to Doss and still remain in his heart? What follows is a heart-warming story of those all too human characteristics: love, betrayal, succumbing to anger and finally, forgiveness.
