A Greek sailor thrown from his ship encounters the strange and beautiful creature that could bring him a love as bottom as any sea... A gold digger attends a wealthy man's glittering fete with hopes to win the ultimate "big fish" and gets more than what she bargained for... A fabulously talented artist loses his beloved wife in childbirth, and proceeds to paint her spirit into one of his masterpieces to keep her always at his side... New author Aaron A. A. Smith combines history, mythology, romance, and a touch of the gothic to create a dark fantasy short story anthology like no other. Coming in November 2011 from Rebel Rose Publishing, LLC.
