Both books from the bestselling Hell on Earth Series by Iain Rob Wright. Box set includes full versions of THE GATES and LEGION, as well as bonus novella TAR. Hundreds and hundreds of pages of apocalyptic terror. Book 1: The Gates Guy Granger is a US Coast Guard captain in search of his kids, who just so happen to be thousands of miles away in the UK when strange gates open all over the globe. Mina Magar is a photojournalist forced to take pictures of horrors she could never have imagined as something terrible emerges on London's busy Oxford Street. Rick Bastion is a fading pop star with his head in a bottle and no hope for the future--even before the apocalypse begins on his doorstep. Tony Cross is a soldier stuck on the Iraq-Syria border, but fighting insurgents is no longer a priority as a new threat emerges that will unite mankind for the first time in history. For all of them, staying alive will be next to impossible, but they must try. Hell is coming and no one can escape it. When the gates open all Hell will break loose! The Gates is a world ending thrill ride of epic proportions. With so many characters and so many twists, it's like the horror equivalent of Game of Thrones. Book 2: Legion What will you do when the world ends? That's a question that needs answering quickly when the gates to Hell open up all over Earth. Taking place across the globe is an apocalypse like no other, as humanity finds itself at war against a smart and merci foe. Follow the struggles of survival with several characters as things go from bad to worse. Humanity is dwindling. Vamps has never been anything more than a kid on the streets, but when those streets become a war zone, he and his childhood friends are forced to step up and become heroes—not an easy thing to do for a bunch of gangsters. It doesn't help matters

that a rival gang is also out for their blood and that a group of humans seem to be helping the enemy. Hernandez is a US Navy Lieutenant with a bright, neatly planned future. That is until the world ends and a chance encounter with a rogue Coast Guard Captain leaves his future in disarray. It will take a lot of hard work, planning, and manipulation to take back the reigns of his destiny, and punish those who have crossed him. Richard Honeywell is a police officer at a time when being a police officer is the least safest thing a person can do. The world is at war, but Richard still has a duty to keep the peace and protect the citizens of the United Kingdom. Yet, how can he do that when his own family are in danger? People are looking to him for leadership, but how do you lead army of civilians to certain death? The world must come together and fight back against the unstoppable Legions of Hell, because no one is coming to help them. The monsters are real and they will not stop. Welcome to Hell. Novella 2.5: Tar The world has ended, yet a few places still cling to life, dragging out their final, dwindling moments until the last second. The United Kingdom is one of those places still left alive, but it is only a matter of time before it too is wiped from the face of the earth. The Tar is coming, covering every inch of the globe. There is no escape. It means the clock is ticking for Finn, who needs to find the monster that murdered his sister. The world might be over, but vengeance never dies. By bestselling author, Iain Rob Wright, comes an apocalypse like no other.
