It's all come to this! The final battle for freedom and the conclusion of Phantom! As K and the others make a daring escape K finally learns the source of his powers. The stage is set for the final conflict between Iron and Rynus. K and his crew plan to make a final blow against Iron, but first they must defeat Kas Stein and the Trigger 3! New enemies emerge, alliances made, and K is given the chance to fulfill his destiny. Will K finally be able to defeat Iron?
