Jasmine is a woman with a history of bad relationships and an inability to find a man to satiate her needs. One day she receives an invitation to an exclusive private club. What the hell, might as well give something different a try before swearing off men all together...right? Marcus is a two hundred year old vampire who owns The Black Lillie Club, a safe place for vampires to seek their mates and partake in their darkest desires. He has been searching for his soul mate since his turning. Can the Vampire who created this haven finally find his true soul mate? Can Jasmine find bliss in the hands of a stranger? Contains: spanking, whips, cuffs, and strong BDSM scenes
