InvestiDate: How to Investigate Your Date is a fun, tongue-in-cheek, secret weapon-like book that arms men and women with tools to maneuver through this minefield called love. All with the 007-mission to steer clear of physical danger, financial ruin, and emotional harm. Daters of all ages will learn step-by-step how to: -Conduct criminal checks -Verify employment -Gauge marital status -Create a Date-a-Base -Scour property records -And much, much more Created by Maria Coder, a former crime and general assignment reporter, InvestiDate teaches daters how to investigate their dates using modern day scenarios. InvestiDate has been featured on The TODAY Show, UK's Mail Online, Australia's The Morning Show, New York Magazine, The Washington Times, and count other media. No stranger to a broken heart, Maria has canceled a wedding, dumped a philanderer, and had her heart unrecognizably pulverized a time or two. She's earned her dues in the dating trenches and has decided it's time to set the record straight. A member of Investigative Reporters and Editors, a professional organization dedicated to improving the quality of investigative reporting, Maria is committed to empowering men and women to know what they're getting themselves into; and to know when to get out. A self-proclaimed New Yorker, Maria travels frequently, teaching workshops and webinars. More information and weekly tips available at www.InvestiDateYourDate.com.
