This new edition is packed with practical guidelines and proven strategies for implementing a whole-school approach for reducing bullying. The author draws on theory and research, as well as over two decades of experience as a school counselor and consultant to provide educators with his creative ideas and successful techniques. Interventions to help aggressive youth internalize rules and develop conscience are paired with methods for helping targets of bullying. Chapters cover a wide range of topics, including myths about bullying, acknowledging positive behavior, effective discipline, working with parents, relational aggression, empowering bystanders, and preventing disability harassment.
