In a dramatic battle in Detroit, the international criminal organization, Hammer has been decimated. But when the Defense Intelligence Agency discovers a final remnant, they send their best man to investigate. Jordan Noble and the UrbanKnights Detective Agency head to paradise on Earth and find that all is not as it seems. Behind the luxury of one of the finest cruise ships in the world and the seductive eyes of a beautiful woman lies deception, danger and murder. Jordan leads his team on a hunt for secret long thought hidden. Can they trust their new alluring ally, or is beauty just one more danger lying in wait for the Caribbean Knights?
