This is the 5th episode in the second season of ReMade, a 14-episode serial from Serial Box Publishing. This episode was written by Amy Rose Capetta. You live. You love. You die. Now RUN. The way the group has been treating Jing-Wei has never really sat right with Hyrum. He was raised better than that. And he's becoming obsessed with her pet caretaker, the best chance the group has for any sort of answer. But trusting Jing-Wei and Sparky isn't going to be easy—it's going to take a huge leap of faith. One moment proved fateful for a group of teenagers—and not just because it's the moment they all happened to die. At the moment of their deaths, they were snatched forward into the future and remade in a world they hardly recognize. Now, after facing murderous robots and an unpredictable environment, the teens have begun to find their footing. But can they survive long enough to figure out why they were remade? And will they ever be able to stop running?
