A behind-the-scenes exploration of a LEGO master's body of work-for LEGO enthusiasts of all ages. Kids love building with LEGO bricks, and so do "professional kids" like Sean Kenney. After twelve years writing code and designing websites for major corporations, Sean pursued his dream of making LEGO art. The New York Times calls his work the "artistic elite" of LEGO building. Today, Sean has four internationally touring exhibits of his work and is recognized as one of the premier LEGO builders in the world. This large-format photographic book provides a fascinating in-depth look at a LEGO artist's oeuvre. Chapters explore such subjects as transportation vehicles, animals, life-size work, science fiction, nature, cities, sports, portraits, and even home furnishings and custom apartments! A personalized LEGO compendium perfect for brick-building enthusiasts of all ages.
