One adoption social worker called In On It "the adoption book for everyone else": the grandparents and friends, neighbors and colleagues, aunts and uncles, teachers and caregivers of adoptive families. In On It contains helpful advice and instructive anecdotes from adoptive parents, adult adoptees, adoption professionals, and the friends and relatives of already established adoptive families. The author, an adoptive parent herself, has written an informative, friendly and very useful adoption guide that informs and enlightens readers even as it offers them a warm welcome into adoption.
