The Power of Stone and Storm The Circle Orboros is humanity's most ancient organization, composed of powerful mystics who watch over natural places seeped in ancient power. While few in number, these druids wield bound power of nature and can call upon savage beasts such as ferocious warpwolves and satyrs that stalk the forest as well as armies of human Wolves of Orboros and inhuman tribes of bloodthirsty Tharn. The most powerful druids can even shape stone into mighty fighting constructs called wolds. Where the Circle walks all should fear to tread, lest the power of Orboros be brought against them. Learn the secrets of this powerful and ancient organization with Forces of HORDES: Circle Orboros, featuring:
