Does size matter? Is masturbation harmful? What is the G-spot? Do men have a G-spot? Should you feel anxious and guilty about 'bad' thoughts? 'Relax! It's perfectly normal,' says Dr Mahinder Watsa, India's foremost sexologist. In this book he addresses and explains all the issues and concerns that you might have about sex and sexuality. From understanding your body to teenage troubles, from the first night to safe sex, from infancy to sixty years and beyond, he gives advice and solutions for all these and more. Plus, with classic wit and humour, he deals with hundreds of queries from his readers across the country. It's Normal!, a comprehensive guide to sex, is an essential read.
