Introducing Viola Stewart, a widowed optician with a penchant for detecting, who stumbles on a secret society of Men in Grey. Journal #1: Doctor Jack and Other Tales - contains three short stories and novella. Three Short Stories: The Day of the Dirigible: Who is that Man in Grey? Why does he want her toy dirigible? An Eye for Detail: Who is taking the children? The Magic Lantern: And what is the connection between Viola's missing patients, the photographer and The Society? Novella: Doctor Jack: Someone is stalking the women of London. An unexpected encounter puts Viola in grave peril. Viola is detecting again, chasing secret societies and nefarious plots.
