When her DEA agent husband's plane went down, Zoey Witherspoon thought her life was over. But with two kids to care for, and another on the way, she moved back home to Sweetwater to be closer to friends and family. Two years later, her world was turned upside down: her husband was alive! Amnesia-stricken Dane wasn't exactly the same person he'd been, but neither was Zoey. She refused to return to the fractured marriage they'd shared—workaholic Dane had never been around—yet moving forward was a scary prospect. Would a second chance at happiness make all her dreams come true?
