This early chapter book featuring Batman and Poison Ivy has full-color, comic-book-style illustrations. Kids will love this adventure-filled story featuring a favorite and time superhero -- Batman, The Dark Knight! Poison Ivy has stolen the rare Black Orchid from its display at the Gotham Botanical Garden! Using her herbal powers, she escapes Batman and disappears into the night. Batman then discovers three natural food stores have also been robbed. And he sees mysterious, gigantic plants sprouting all over Gotham City. He soon learns that Poison Ivy intends to turn the city into a jungle! Can Batman stop her before it's too late?
